

SUMMERFIELD NEWS & INFORMATION

Pomp and Circumstance:

Don't forget to turn in your graduating senior's Bio! Here is a sample of what you can include- name, where they are graduating from, future plans, hobbies and interests, any special messages or honors you received.

The option of a July 4th Blood Drive is being considered by Summerfield Social Committee but we need to know how much interest there is. We will have sign up sheet at the pool party and the exact date is yet to be determined. It may not be on the actual July 4th date. Please consider giving this priceless gift of life and either sign up while at pool party or email Lisa Gantt at ldgantt@gmail.com. If we have enough interest, we will make the necessary arrangements with the blood connections and details will follow.

SPLISH SPLASH- IT'S SUMMERTIME!!

To celebrate the beginning of summer, end of school, opening of the Summerfield Pool and this great country we live in- we are having our annual POOL OPENING PARTY! It will be Saturday May 28th 4:00PM-6:00PM. There will be DJ music and entertainment by our favorite Party Makers Entertainment and complimentary pizza and drinks courtesy of your neighborhood social committee. But we do ask that you consider bringing a donated canned good(s)/nonperishable food item that we are planning to donate to Red Cross specifically for the victims of the tragic tornadoes in Alabama and all across the southeast. Anyone who would like to help pass out pizza or drinks, please email Kelly Caris at klcaris@hotmail.com

So you think you can plant?

It's that time of year again so get out there and mow your yard, trim those hedges and plant those flowers! It is nice to see the grass green again and as always, the prettier our yards look, the better for our sellers and our own home values! The HOA and social committee will be choosing one house every month from May to September to award, Yard of the Month! The winner will get a Lowes or Home Depot gift card and we will acknowledge the recipient on our neighborhood website and with a sign in their yard for the month. Thanks to all our past winners over the years for the inspiration and we look forward to picking more! Also- if any residents would like to send in any nominations for pretty yards you think should win, feel free to send them to ldgantt@gmail.com.

The neighborhood would like to acknowledge and thank Kyle and Angie Coneybeer for their ingenuity and enthusiasm as evidenced by hosting those fun outdoor movies!!! They have become fun and popular events and bring a special sense of community to this great neighborhood!

We would also like to say thanks to the neighbors and especially the children who came out and saw the Easter Bunny during his special appearance by the pool last month. We hope that those who attended enjoyed their time and got their pictures. A VERY special thank you goes out to Christina Licata the talented photographer who took the pictures and created CDs for all who attended. We hope you enjoyed your pictures!!! We unfortunately have 2 precious little boys that we could not identify from our sign up sheet-So sorry!!! So if you are someone who attended and did not get your picture, please call or email Lisa Gantt at #627-0311 or ldgantt@gmail.com By the way if you need a great photographer, email Lisa as well for Christina's contact information!

As always, if you have any ideas for social committee events, newsletter information etc., email Lisa Gantt - ldgantt@gmail.com This would also include any special announcements like births, weddings, engagements, anniversaries etc. We are always happy to share good news!

On that note, I happen to know that both neighborhood bunco groups are short members. This is a fun girls night out once a month with your neighbors. Bunco is a dice game, but not hard to learn how to play. For more information email Lisa Gantt at ldgantt@gmail.com.

The next social committee meeting for any who would like to attend will be Thursday June 2nd at 7:30PM. Thanks to one of these suggestions, we are starting a

LOST AND FOUND

section for our newsletter. This can include pets, bikes, yard décor etc. Email submissions to ldgantt@gmail.com

Lastly, Hope all Summerfield Mothers had a wonderful Mother's Day!!!

2010/2011 Board:

FINAL NOTE:

We would like to tank Coca-Cola for being good neighbors to Summerfield and Mauldin. Coca-Cola has agreed to plant a row of Leyland Cypress trees on the back of their property line to help with the noise that we hear during the late hours especially during the winter months. In honor of Coca-Cola paying for the project, we are going to recognize them by having Coca-Cola products at our events this year.

Thank You Coca-Cola,
Summerfield OA
